 - Questions were asked and suggestions made about different ways to encourage and connect with the students leaving. Confirmation received that all suggested options are already being leveraged.
 - An idea was raised to have all years perform once again at Bandarama. Mr. Vitae indicated that is a logistical issue given the size of the band now vs the past when that used to be the approach. He will continue to evaluate that as an option for the future.
 - Disney Trip payments can be handled with great flexibility. Contact Bob Rogers Travel to work through any questions or desired options. We can add students all the way through Labor Day.
